## **WE NEED YOUR HELP TO STOP THE SPREAD OF CORONAVIRUS IN NORTHERN IRELAND**

Dear Partners

Coronavirus is spreading in Northern Ireland and we need your ongoing help and support to protect our residents, families, communities, businesses, schools and healthcare systems from the impact of COVID-19.

Department of Health figures have shown that since the easing of lockdown restrictions, the number of confirmed positive cases is rising more rapidly than expected. Daily figures are available on the Department of Health's Dashboard  
<https://www.health-ni.gov.uk/articles/covid-19-daily-dashboard-updates>

We are therefore asking you to help encourage a collective response to tackle COVID-19 across Northern Ireland by taking 2 key actions;

- 1. helping to increase the numbers of residents who are downloading and using the StopCOVID NI App, and**
- 2. helping people to understand the importance of Test, Trace & Protect**

to help stop the spread of Coronavirus.

***Improving Your Health and Wellbeing***

Please find attached resources which provide information on these two key actions.

We hope that by having these messages reinforced by established organisations and groups who have strong and trusted connections with local communities, people will respond to the urgent need to sustain measures to prevent any further spread of coronavirus.

Up to date information is also available on the Public Health Agency website <https://www.publichealth.hscni.net/covid-19-coronavirus>

Please do not amend the messages on these resources or remove the PHA logo as it is important that accurate and consistent information from the Public Health Agency is in circulation.

In appreciation of your support.

Yours sincerely

**Olive MacLeod**  
**Chief Executive**
